Dear Mssrs. Rangwala and Polyzoides:

On behalf of the Fatemi community I wish to thank you and your fellow team members for your outstanding work toward the realization of our new campus in Nairobi. Your creative plans and building designs were extremely valuable in educating us regarding the site and its environment, functional relationships, traditional and contemporary building designs, outdoor spaces, appropriate imagery, and many other qualities. We will always be indebted to you for your planning and design efforts in this project.

We are enclosing a Certificate of Participation for your team as a Finalist in this competition as an expression of our thanks, and we would welcome an opportunity to work with you on future projects.

Sincerely,
